o: Minneapolis

### Overview

#### BIOGRAPHY

Sean C. Mansfield, an attorney in the Minneapolis office of Foley Mansfield, practices in the firm's environmental law group. Specifically, Sean focuses on historical research and document drafting to help large companies in environmental defense matters arising under CERCLA and RCRA.

He also has experience in general civil litigation, primarily assisting with document review and juror research. Prior to practice, Sean served as a clerk with the firm, gaining valuable experience and knowledge in his chosen practice focus.
